

## Zionophobia: Lucifer's Double Envelopment: Authoritarian Islam Moves toward Critical Point with Pacifistic Progressivism; Christians Must Stand Fast

44. Now how does all this tie in with our study? In our study of Islam and Frankfurt philosophy we have observed the following points:
- Islamic fundamentalism, which is authoritarian to the extreme, intends to impose its belief system on the world and to murder those who do not convert.
  - Islamic mosques and schools are funded in America by certain Muslim countries (the most prominent, Saudi Arabia) who wish to promote Wahhabism, the most radical branch of Islam.
  - At the same time Frankfurt graduates who control public education seek to eradicate all Christian viewpoints from the American culture.
  - Their major offensive is the deprogramming of children away from Christian fundamentals and propagandizing them into a global worldview that accepts and tolerates all cultures and religions without reference to traditional establishment or biblical standards.
  - Once enough children are indoctrinated into this pacifist ideology and subsequently attain adulthood they will be defenseless against the aggressive Islamic Fifth Column that was simultaneously developed within the Muslim mosques and schools throughout the United States.
  - These two worldviews will sooner or later come to critical point and revolution will erupt most likely by the Muslims who will see an opportunity to tear down decadent and passive America.
  - The system that sought to eliminate authoritarianism will have made it possible for the most vicious authoritarianism since Hitler to gain ascendancy and not only seek to destroy client nation America but also the Frankfurt ideology that made it possible for them to attain power.
  - Lucifer is orchestrating this brilliantly executed double envelopment and the only defense against it is the spiritual advance of believers and the principle that Jesus Christ controls history.
  - Frankfurt philosophy believes that world peace can be attained through diplomacy by convincing all peoples that we can all get along by viewing each other as equals.
  - Islamic theology believes that world peace can be attained through the elimination of the infidels which includes all non-Muslims.
  - Client nation America is caught in the middle between a philosophy that tears down traditional standards in order to rid the country of "oppressive" systems of authority and a theology that is aggressively trying to set up an authoritarian regime.
  - Christians thus serve as the only line of defense against both these factions and their success is directly tied to the growth of a large enough Pivot so that the Lord Jesus Christ will control history on their behalf.
  - At bottom we are able to discern the satanic strategy behind both these competing threats and thus become motivated to be ever vigilant in our pursuit of truth and doing so under the following guidelines from our Lord:

**1 Peter 5:8 - Be of sober spirit [ attain the sophisticated spiritual life ], be on the alert [ believers must be vigilant to defend their own souls ]! Your adversary, the devil, prowls about like a roaring lion, seeking someone to devour [ to delude, deceive, and debauch ].**

**Matthew 7:15 - "Beware of false prophets, who come to you in sheep's clothing [ dressed in the vestment of the church but their message is the doctrines of demons, 1 Timothy 4:1-2 ], but inwardly are ravenous wolves [ liars ]."**

**Matthew 10:16** - “Behold, I send you out as sheep [ **natural prey of wolves** ] in the midst of wolves [ **the adversary of sheep** ]; therefore be shrewd as serpents [ **ancient symbol of wisdom** ], and innocent as doves [ **harmless** ].”

**Colossians 2:8** - Be on guard so that no one takes you captive [ **controls your mind** ] through philosophy and empty deception [ **propaganda** ], according to the tradition of men [ **false doctrines, see Mark 7:8** ], according to the elementary principles of the world [ **human viewpoint** ], rather than according to Christ [ **biblical truth** ].

**Romans 12:2** - Do not be conformed to this world [ **see Colossians 2:8** ], but be transformed [ **inhibit wheel-tracks of wickedness and facilitate wheel-tracks of righteousness** ] by the renewing of your mind [ **renovation of thought through spiritual growth** ], that you may prove what the will of God is, that which is good and acceptable and perfect.

**John 8:31** - Jesus therefore was saying to those Jews who had believed Him, “If you abide in My word [ **Bible doctrine** ], then you are truly disciples of Mine;

v. 32 - and you shall know the truth [ **ἀλήθεια, alētheia: the absolute principles of divine viewpoint** ], and the truth shall make you free [ **ἐλευθερώω, eleutheroō: freedom from the bondage of the lie** ].”
