

David's Heir: Summary of Evil: The Attack on Culture: Volition Manipulated, Marriage Demeaned, & Family Fractured; Nation Chaotic; Introduction of a Savior Personality; Deadly Dictators of the Twentieth Century; Lucifer's Ongoing Dossier of the Best Possible "Beast-Dictator" of Revelation 13; Jesus Christ Restores History at the Second Advent, Rev 19:15-16

12. Marriage has been redefined to include unorthodox unions that threaten the sanctity of the institution by legalizing the intrusion of gross evil.
13. The resultant degrading influence is ripping asunder the family unit into diverse arrangements causing a breakdown in the institution's authority structure.
14. When the first three of the institutions are manipulated, demeaned, and fractured, respectively, then the cultural order of society is thrown into upheaval.
15. This heightens the advance of historical downtrends toward critical point. If corrective measures are not undertaken, then the eventual loss of thought coagulates into unrestrained evil.
16. Simultaneous bad decisions by citizens misguided, government emboldened, and judiciary compliant, invite rapid descent through the five cycles of discipline.
17. National unity is transformed into chaos and a mentally staggered people anxiously await the arrival of a personality that can restore order.
18. When that day arrives, Lucifer will present a personality that will promise to restore order by trusting in him.
19. He will eloquently present nice-sounding ideas that will appeal to the self-centered souls of the benighted.
20. He will gain a wide following as a panicked people put their trust in a man to resolve problems their wrong decisions created.
21. But no one, no matter how brilliant, has the wherewithal to organize 315 million disordered people, let alone seven billion of them.
22. Because the divine system will not allow the lie to achieve lasting success, the satanic house of cards will come tumbling down.
23. Lucifer will have lost yet another attempt to ascend to the heights of global dominion, his failure will be exposed to the clear light of day, yet surviving believers will present truth to those with attentive ears and the process will start all over again.
24. This ebb and flow of nations and peoples have been repeated enumerable times in world history. Evil gains ascendancy, predictably fails, to be replaced by the rise of a biblically based culture.
25. I believe that as this process has been repeated over millennia, Lucifer has taken note of the personalities he has promoted to positions of power.
26. He catalogues their success and critiques their failures so that the next time the cycle comes around his new candidate will be more successful than the former.
27. Once the Holy Spirit's restraining power is removed at the Rapture, his dossiers will help him identify the best possible personality to indwell.

28. The beast-dictator of the Tribulation will be the ultimate personification of evil; indwelt by Lucifer, he will make his play for the whole enchilada.
29. Regardless, Jesus Christ controls history during the Church Age and truth always trumps the lie.
30. During the Tribulation, the most accomplished of all of Lucifer's human emissaries will arise and begin a desperate drive to rid the world of Jews and all others who have believed in Christ.
31. The Lord will control history once again with his arrival at the Mount of Olives introducing the Second Advent and the defeat of Satan along with his human minions and demonic armies.

Revelation 19:15 - From His mouth comes a sharp sword, so that with it He may strike down the nations, and He will rule them with a rod of iron; and He treads the wine press of the fierce wrath of God, the Almighty.

v. 16 - And on His robe and on His thigh He has a name written, "KING OF KINGS, AND LORD OF LORDS."
