

# Zionophobia \Zī'-an-a-phō'-bē-ah\

**Fear *for* the Jews who have returned to the land of Israel ahead of the Lord's perfect timing.**

**A person that is anti-Zionist is also anti-Semitic which is a logical assumption. A person opposed to the Jews being in Palestine would most likely also be anti-Semitic, e.g., the Palestinians.**

**On the other hand, a person who is Zionophobic would also be pro-Semitic since he recognizes the *danger* of the Jews being in the land, but *not opposed* to them being there.**
