

7. Wisdom

The maximum facilitation of interconnected doctrinal thought within the brain's neural network. Wisdom constitutes the ultimate fulfillment of Hebrews 12:13: “*Be making straight wheel-tracks of righteousness with your feet.*”

There is no exigency, no problem, no circumstance which the believer with wisdom does not have the wherewithal to resolve through the biblical problem-solving devices. Wisdom allows the believer to think in terms of entire doctrines and to resolve issues through the application of principles and absolutes rather than anecdotes and opinions. With wisdom, the mature believer invariably concludes that the divine solution is the only solution and that human solutions are no solutions.

Wisdom enables the believer to endure the pressures and pass the challenges of momentum and evidence testings. Wisdom becomes the Zeitgeist of the mature believer's soul and results in living the sophisticated spiritual life.

The development of wisdom may be described neurologically as follows:

1. As wheel-tracks of righteousness are facilitated, axonal and dendritic branches elongate, existing synapses are excited, rearranged, and fine-tuned while new synapses are created.
2. Data from other wheel-tracks of righteousness are recalled forming an association by means of synaptic junctions.
3. As other wheel-tracks are added in this manner a constellation is formed which results in a doctrinal category.
4. As doctrinal constellations facilitate, they are able to exchange information in a very sophisticated system called a neural network.
5. Full facilitation of the neural network is the end result of: *huperauzano* where Bible doctrines become the believer's paths of least resistance.

The best summary passage for the stream of consciousness in general and its compartment of wisdom in particular is:

Colossians 1:9 - We do not cease to pray for you and to ask that you may be filled up with the epignosis knowledge of His will by means of all wisdom and spiritual discernment [*sunesis*].

Note: It is interesting to note the etymology of the word: *sunesis*. It literally means “*the junction of streams, or the union of rivers.*” Discernment occurs in the soul when the Holy Spirit brings together spiritual phenomena to a spiritual system. The maximum expression of that discernment is the fully-facilitated neural network of the mature believer.

Colossians 1:10 - for the purpose that you might walk [*peripateo*: make wheel-tracks] in a manner worthy of the Lord [straight ones of righteousness], seeking to please Him in every way, bearing fruit in every act of divine good, increasing in the epignosis knowledge that finds its source in God.

And we cannot leave this subject without repeating the corrected translation of:

1 Corinthians 2:12 - We have not received the world's spirit [cosmic systems of perception such as rationalism or empiricism] but the human spirit from the source of God [the Holy Spirit] in order that we might have a permanent knowledge [*oida*: a synonym for epignosis or full knowledge] of things that have been graciously given to us by God,

1 Corinthians 2:13 - which things [systematic theology] we [the Flag Apostles] also speak, not by teaching [*didaktos*: by means of the Satanic Academy's system of rationalism and empiricism] from the source of man's wisdom, but by teaching [*didaktos*: by means of the Divine Academy's system of grace] from the source of the Holy Spirit, bringing together spiritual truth [Bible doctrine] to a spiritual system [GAP].

1 Corinthians 2:14 - The soulish man [the unbeliever] does not accept things [cannot learn truth] from the Holy Spirit [His teachings are not accessible] for to him they [Biblical truths] are foolishness, furthermore, he is not able to even acquire academic understanding because they are spiritually discerned.

It is the maximum facilitation of the stream of consciousness through the teaching ministry of the Holy Spirit which enables the believer to fulfill the imperative moods of:

Romans 6:12 - Therefore, stop permitting the sinful nature to rule [*basileuo*] in your mortal body [the brain] for the purpose that you should continue to place yourself under its authority [*hupakouo*] with its lust pattern.

Romans 6:13 - And stop placing your members [the brain] as weapons [wheel-tracks] of wickedness continuously under orders [*paristemi*] to the sinful nature [adulterous submission to the first husband and his policies of sin], but place yourselves under orders [*paristemi*] to God as those who are eternally alive from deaths and place your members [the brain] under orders [*paristemi*] as weapons [wheel-tracks] of righteousness to God.

Romans 6:14 - For the sinful nature shall not be in authority over you, for you are not under law [as your marriage counselor] but under grace.

Romans 6:15 - To what conclusion are we forced? Shall we sin because we aren't under law but under grace? Emphatically not!

Romans 6:16 - Do you not know [*ouk oida*: do you not have in long-term memory] that to whom you place yourselves under orders as slaves for the purpose of obedience, you are slaves to the one to whom you habitually render obedience [submission to facilitated memory traces], either to the sinful nature [facilitated wheel-tracks of wickedness] resulting in the sin unto death, or habitual obedience to God [facilitated wheel-tracks of righteousness] because of justification.

Romans 6:17 - Now thanks be to God that you were slaves to the sinful nature [as your first husband] but you have obeyed from the source of the stream of consciousness a system of doctrine [facilitated wheel-tracks of righteousness] to which you were delivered [by marriage to your Second Husband].

Romans 6:18 - And having been set free from the sinful nature [as first husband] you became enslaved to the righteousness of God [through marriage to Jesus Christ as Second Husband].

Romans 6:19 - For just as you have put your members [brains] under orders as slaves to impurity [wheel-tracks of wickedness] and to lawlessness [wheel-tracks of human good] resulting in lawlessness [wheel-tracks of evil]; so now put yourselves under orders as slaves to God's [wheel-tracks of] righteousness resulting in experiential sanctification [Christian way of life].

Romans 6:20 - For as long as you were slaves of the sinful nature [wife to your first husband] you were free with regard to the righteousness of God [to which you were not married].

Romans 6:21 - Therefore, what benefit were you having at that time from the sinful nature's trends, over which you are now ashamed? For the end of those things is the second death.

Romans 6:22 - But now, having been set free from the sinful nature's tyranny [divorce from the first husband under retroactive positional truth] and having become slaves to God [marriage to the Second Husband through Current Positional Truth], you are having your benefit with reference to experiential sanctification [spiritual growth by establishing wheel-tracks of righteousness] and the end result of everlasting life [ultimate sanctification].

Romans 6:23 - Certainly the payment from the sinful nature is spiritual death but the grace benefit from God is eternal life in Christ Jesus our Lord.
