

The Logos Deposit: Grace Didactics: Pastoral Cache, 2 Timothy 2-4

b. The Pastoral Cache

It is obvious that Timothy is the “*Pastoral Cache*” from the context. Paul issues Timothy additional mandates regarding his responsibility to the second generation of the Church Age.

2 Timothy 2:2 - The things which you have heard from me in the presence of many witnesses, these entrust to faithful men, who will be able to teach others also.

2 Timothy 2:15 - Be diligent to present yourself approved to God a workman who does not need to be ashamed, handling accurately the word of truth [*logos* + *aletheia*].

2 Timothy 3:10 - You followed my teachings, conduct, purpose, faith ...

2 Timothy 3:14 - Continue in the things you have learned and become convinced of, knowing from whom you have learned them.

2 Timothy 4:1 - I solemnly charge you in the presence of God and of Christ Jesus, who is to judge the living and the dead, and by His appearance and His kingdom:

2 Timothy 4:2 - Teach the word [*logos*] ...

2 Timothy 4:17 - The Lord stood with me, and strengthened me, in order that through me the proclamation might be fully accomplished and that all the Gentiles might hear ...

Timothy has received a facilitated neural network. It is a replication of the same Eternal Logos possessed by Paul who received his from personal study under the Lord's ministry.

Under the principle of Grace Didactics, each person was able to go from status quo tabula rasa at physical birth all the way to a personal knowledge of the Eternal Logos. What God has eternally known was replicated into the soul of the true humanity of Jesus Christ.

What Jesus Christ learned during the Incarnation He was able to pass down to His disciples and apostles. He replicated His knowledge of the mystery doctrines of the Church Age into Paul's soul, teaching Him in the heavenly classroom of the Divine Academy.

Through Grace Didactics Paul passed this doctrinal inventory on to Timothy and others. These pastors of the second generation of the Church Age were under commission to replicate the Eternal Logos into the souls of their congregations. We have described this process as Operation *Hupotuposis*.

c. Conclusion

Under Grace Didactics, Paul was able to deposit his knowledge of the Eternal Logos into Timothy's neural cache so that he might replicate its content into the souls of his congregation. Beneficial Deposit; Pastoral Cache.
